

Family Fun Newsletter

From the Director's Desk

Christmas is coming and the day-care is bustling with excitement!

We will be celebrating diversity by learning about all the different holidays in December. We also have wonderful activities planned.

We will be making Latkes for Hanukkah on Monday the 7th, and we will be decorating Christmas cookies on Monday the 21st and enjoying them with some hot chocolate.

Our Pajama day is such a hit we will be having Pajama Day every Friday in December, the teachers and children alike love to enjoy a day in pjs.

We will have our Christmas Party on the 23rd, and we will be closed the 24th and 25th.

We will be having our New Years party on the 30th we will be closed on the 31st and January 1st New Years Day.

To prepare for unexpected weather please see your room teachers to update your contact information for school closing, we also list the school on the fox news and our website.

Again we take the children out for fresh air everyday so please take the time to make sure your child has appropriate clothing for outside play.

From all of the staff at Family Fun we would like wish you and your family a very Merry Christmas and Happy New year!

- **Animals prepare for winter.**
- **Hanukkah**
- **Signs of winter**
- **Christmas**
- **New Years**

Safe Toys

We would like to share with you some websites that we find are very helpful in choosing toys that the children will enjoy while learning. You will also have a chance to review toys that have been placed on a recall list. children, especially our babies tend to place all toys in their mouths, toys that have made the list for choking hazards because pieces come off, or

danger due to paints used on them will be on there. While I know we cannot keep accidents from happening it does not take much effort to see if the toys you would like to give are on the list :-)

Toyinfo.org

Safekids.org

Review and together lets make this a happy and safe new year :-)
